Do I know you?

No Richie, not personally, but I have been trying to reach you. I work currently for law firm BROWNE GEORGE ROSS who represents Johnny Depp's x Amber Heard. I was told by the lawyers Rick Schwarz and Eric George that you reached out to us a while ago and they asked me to please contact you.

You can now call each other and see information like Active Status and when you've read messages.

Your contact numbers I got for you on data searches are no longer in service.

I reside in Rancho Cucamonga

Can we chat here for a moment?

What can I do for you?

What number are you trying to find for me?

If you dont tell me what you want or I will block you. I am not in the habit of taking friend requests from strangers.

310-469-7072 is number I have been calling. Sorry I was on the phone.

Yesterday at 1:21 PM

Who are you trying to reach

Yesterday at 1:21 PM · Sent from Messenger

I am trying to reach you re, The Viper Room days and what you experienced; particularly re, Johnny

Depp. We are trying to stand up the fact that he abuses women i.e. regarding cigarette he allegedly put out in a woman's hand.

Yesterday at 1:23 PM

Listen.. That is very small potatoes compared to everything else J.D. is capable of. I personally witnessed J.D. put a cigarette out on the forehead of model Stacy Lee Lopez.

Yesterday at 1:25 PM · Sent from Messenger

I am not patronizing you Richie but you and I are both Italian. We are cut from the same mold. I, like you, tell it like it is. So many people are afraid to just tell it like it is. But you and I were not brought up that way. I am very grateful to you for your honesty. It is refreshing. Are there any other incidents you can share with me?

Yesterday at 1:27 PM

Dude.. I am going public. Way to much to try to explain. I am going to name J.D. in the murder of River Pheonix among others..

What accounts would you like to hear about? I am the highest ranking memeber of the Disney Deception to ever go public. No one in Hollywood is safe.

Yesterday at 1:32 PM · Sent from Messenger

I am supposed to meet the detectives investigating the Anthony Fox case. I am curious to know about what happened in that hotel room at the Mark in NY years ago with actress Kate he used to go with. Do you know if he slapped other women around?

It's amazing you got balls to give me the names. I need the accounts and names involving his abuse toward females. What you got for me bud? I am all ears.

Yesterday at 1:34 PM

I know many..

Where did you hear about me?

Yesterday at 1:35 PM · Sent from Messenger

The reason he put the cigarette out on Stacys head was for dancing with Kate.

Yesterday at 1:37 PM · Sent from Messenger

Jeezuz!!! I have been investigating Depp, primarily his propensity to violence toward women for over a month. Your name came up more than once as a very credible source. I told the lawyers representing Amber Heard that I could reach out to you and build a trust because we are east coast guys; not like the back stabbers in California. Your information will lead to the end of his terror reign on women. Can you give me more facts please?

Yesterday at 1:39 PM

I am under subpena for deposition in the heard vs depp case.

Paul you cant stop what he is doing.. The man worships satan. Beating women is pretty insignificant at this point. He kills people. River, Selena, Mike Hutchens, Jeffery Lee Pierce, Nicole Simpson.. All sacrificed to the Disney Gods.

Yesterday at 1:41 PM · Sent from Messenger

I figured that. Who subpoenaed you? We work for the Heard side. Anything you can offer me now would help throw up the firewall in her defense. Can you give me facts. Nicole Simpson is not dead. Am I misunderstanding you. Please clarify. Did he date and abuse Nicole Simpson?

Yesterday at 1:43 PM

Homosexual Pizzagate.. Eisner, Alan Ginsberg, Timothy Leary, the viper room was a place for the hollywood elite to play with young boys.

No he did not.. We can get back to Nicole Simpson.. She was at the viper room the night before she got killed.

Yesterday at 1:45 PM · Sent from Messenger

Please clarify Nicole Simpson question for starters. What relationship if any did Depp have with her? Did Johnny Depp abuse other women and whom? where, why, when, etc?

Yesterday at 1:45 PM

Ambers lawyer from century city is issuing a subpena to get my depo.

Nicole is just another in the list of dead celebs that were at the viper room 24 hours before dieing. She was at the club the tuesday before being murdered. She was with simpsons son.

Yesterday at 1:47 PM · Sent from Messenger

Yes, I work with those lawyers. We are trying to get some Upfront information so I can further investigate that which you claim. Sort of a upfront preview of what we can expect.

Yesterday at 1:47 PM

Well you may want to contact Shelia Zilinsky.. That is who I am working with to expose the evil..

Alex Jones was going to bring it public but I dont really like him.

Yesterday at 1:50 PM · Sent from Messenger

Our purpose is to keep ALL information you disclose to us confidential. Obviously, it is newsworthy but that is not our goal. I am creating an all inclusive file on Johnny Depp to show his violence toward women. Are there any other incidences you personally witnessed or that you heard second hand in which Johnny abused women? If so when why where and who? Thanks Richie. This is vital.

Yesterday at 1:51 PM

Dude there are tons more stories. Talk to Wynona, Fenn, Grey, Moss, Lopez, Otis, the list goes on and on. Again why the concern for these women. The concern should be the demon influence he has in everyones life that thinks he is great. He is a lowlife, demonic, drug addict that deserves prison for what he has done. Your story about him is going no place. Disney owns the media.

Yesterday at 1:55 PM · Sent from Messenger

I am with you on your disdain for Satan worship however we are defending AMBER HEARD, his x wife. She is being sued by Depp for \$50 million. He claims he never put a hand on her. Again, I am not pursuing a story. I am pursuing TRUTH in her defense. How long did you work for Depp at the Viper Room? Did you see him slap or beat a woman?

Yesterday at 1:57 PM

What did he do to Wynona, Fenn, Grey and Moss? They won't talk.

You worked in the office right? Do you have any copies of doctor bills he paid or copies of settlements he made to people he harmed in some way shape or form? Documentation is golden.

Yesterday at 2:00 PM

I watched him hit Kate, Stacy and Wynona.. I was involved with the Viper Room before there was a Viper Room. I come from a very deep background in Organized Crime.. This is how I got involved with J.D. and the Disney Corporation.. What are you investigating. I talked to her lawyer. He knows what I know and what I witnessed. He said he would get back to me once I am vetted. Honesly Amber Heard is almost a non existant issue compared to the rest of the hurt coming to J.D. and his friends. She is just another dumb actor that brought this upon herself. She is no better than him.

Yesterday at 2:03 PM · Sent from Messenger

Yesterday at 2:04 PM · Sent from Messenger

I am also a little confused why you? A actor is doing PI work for a lawyer?

Yesterday at 2:05 PM · Sent from Messenger

Understood. I am the guy doing the vetting. I am the lawyer you spoke with investigator. I thought since you are a straight forward guy and a no bull shit guy, I'd just go straight to the source. I work for Rick Schwartz and Eric George. They represent Amber.

Yesterday at 2:06 PM

Ok well.. I spoke to him.. Like I said.. Its much bigger than him and amber.

Yesterday at 2:06 PM · Sent from Messenger

I am familiar with your background and I am also aware that a man such as yourself you never cross. You have my word, I will not betray you. Where did he strike the aforementioned females you named and what were the circumstances?

Yesterday at 2:07 PM

Stacy Lee Lopez.. Model from Texas.. Dancing with Kate.. Cigarette on her head. Cost to him.. 1 million. Kate beat her up often when drunk and doing drugs. Wynona beat the hell out of her once in a while to keep her humble.

Yesterday at 2:10 PM · Sent from Messenger

There is not much of a journey from actor to investigator. We wear different hats. I generally am called in to work celebrity cases, all which are-- and this should no surprise to you-- sexually based and sometimes quite lurid. Hope that clarifies. Please answer with respect to more details on the abuse, type of abuse, when and where. Thanks Richie.

Yesterday at 2:10 PM

Where did the respective incidences take place and when approximately?

Yesterday at 2:10 PM

Yeah you know my boy? Anthony Pellicano?

The viper room in the 90s depps house on Appian way in the 90s and hotels all around the planet.

Yesterday at 2:11 PM · Sent from Messenger

Yes, sir. I worked for Anthony. I was his field detective. In fact, Farrah Fawcett was a woman terribly abused. On those women Johnny Depp abused, do you have copies of hotel receipts, etc-- any proof that would nail down time, date, place of the alleged abuses at his behest?

Yesterday at 2:13 PM

No it was years ago.. I am sorry to say its almost my fault that Anthony went down. We are still close friends. We even spent time in a cell together at MDC.. It was my business partners big mouth. She went into family court and told the judge that Anthony was wiretapping federal judges and prosecutors at my request.

Yesterday at 2:15 PM · Sent from Messenger

If I were you I would be trying to get Traci Jacobs to talk. Tell her you have me and she may. I honestly dont really want to be aligned with Amber. She too represents all things evil in hollywood.

Yesterday at 2:18 PM · Sent from Messenger

Why do you say these things about Amber? Please explain.

Yesterday at 2:23 PM

Did JD not beat her?

Yesterday at 2:23 PM

my cell no is 908-656-5712

Yesterday at 2:40 PM

I dont know Amber but was told by Jonathon Shaw and Rickie Beck Mahler that they witnessed Johnny hit her. Jonathon joked that while he seen it no one can ever prove it.

You do realize there is one person that must remain nameless but if anyone knows what happened to Tony Fox it would be him. He was LCN boss here in Los Angeles at that time

Yesterday at 2:47 PM · Sent from Messenger

Well if Jonathan Shaw and Rickie Beck Mahler saw it, they are witnesses. Who are these people and how do they know Johnny Depp?

What is LCN?

Yesterday at 2:49 PM

They are 2 of his oldest friends. Sal Genco saw it too. He was Johnnys damage control guy. La Cosa Nostra. Jonathon is his tattoo artist and Rickie Beck Mahler a washed up rockstar that J.D. uses to launder money.

Yesterday at 2:50 PM · Sent from Messenger

Do you have contact info for these people who allegedly witnessed Amber Heard being beat up by Johnny Depp?

Sal Genco I have, but the others contact info I don not have.

Yesterday at 2:51 PM

Jonathon Shaw, Bobby Deloeon, Traci Jacobs, Jim Jarmoush, Sal Genco, any bouncer from the club.. Any bartender from the club. I am out of contact with these people. Marty Singer is representing Jarmousch and already told me shut up. I am getting harrassing texts and emails from Rickie Beck Mahler and being told by other viper room alumni to shut up. See they really cant make a threat. They know it wont work and they fear what I can do to them far more than they can hurt me. Again with my background. I am not the one they want to play with

Yesterday at 2:55 PM · Sent from Messenger

Chrissy Hynde singer for the Pretenders.. At Kates birthday party J.D. got drunk. He got in a fight with her where he sicked hells angeles on her. They told her if she did not leave she would leave in an oil barrel like her friend. I have no clue who was the friend.

Before I can really move to much further with you guys I need you to tell me? Who is gonna deal with Marty Singer?

Yesterday at 2:59 PM · Sent from Messenger

I know you are not the type to run away. Is Marty Singer a lawyer? Is he Jim Jarmaush's lawyer? What are your concerns about Mr. Singer?

Who is Jim Jarmaush in relation to Johnny Depp?

Yesterday at 3:00 PM

Marty Singer is a B.H. lawyer to the stars. His speciality is making people shut up. He threatens all kinds if litigation. Jim and Johnny are very close friends. I became friends with Jim when Johnny was making Dead Man with him. Jim is also a member of the Death is Certin Club.. A little cult gang of Johnnys. Sal Genco, J.D., Gibby Haynes, Bill Carder.. That what the skull ring and the death is certin tattoo represents..

Yesterday at 3:03 PM · Sent from Messenger

Jim is a very famous movie director.

Very good friends with Kate.

And Wynona.. He directed Night on Earth with
wynona.

Yesterday at 3:04 PM · Sent from Messenger

You know I got a much better way of doing this and it will limit my exposure. Like I said. Amber is no one I want to be aligned with. My current circles would very much oppose me haveing anything to do with her or her litigation. She is not one who represents anything we belive in.

Yesterday at 3:06 PM · Sent from Messenger

Okay I will reach out to them. I will of course not divulge you and I are in communication but I assume you know that already. Thanks for holding me in your confidence. I am not clear on what it is about Amber that does not represent anything you believe in however that is your business. I am only trying to get to the Truth. I trust you have been 100% honest with me and I have no reason to believe otherwise. Re, The Devil Worship and the Death Is Certain Club, do they hold meetings? Does JD worship the devil? Does he have a creed? Where does his violence toward women come from? Is he secretly Gay?

Yesterday at 3:10 PM

Does he have a masculinity
issue?

Yesterday at 3:10 PM

If anyone wants to know why Johnny lost 50 million all they got to do is ask? He is a washed up actor thats mind is so messed up with Drugs and insanity. He has not had a box office in years. Even Disney is done with him. He is a pathetic loser that thinks he is Howard Hughes. J.D. is a Satanist they held Church at the club. Eisner, Ginsberg, Tony Curtis, Leary, Getty etc. The only one that can prove Johnny homosexuality is dead. His name was Paul Shindler a childhood friend from miami. Shindler ever has a tattoo on his neck that read. Johnny Depp till Death

Yesterday at 3:13 PM · Sent from Messenger

Yes he has mascunuty isssure. Why do you think he plays to many
trannys.

Yesterday at 3:14 PM · Sent from Messenger

Are there any transvestites names you can give me? How did Paul Shindler die? Was there an autopsy? Are you saying Paul Shindler and Johnny Depp were lovers? Autopsies are public record. I can retrieve it and verify whether that tattoo was still on his neck.

Yesterday at 3:17 PM

No autopsy.. Long long story. He died miserable and alone cut off from everyone. Only one who cared was Lori Depp.

Hang on a second.. Ill show you something..

Yesterday at 3:19 PM · Sent from Messenger

The gay guy with the big mouth that J.D. calls Paul is Paul Shindler. Call tattoo mania on sunset blvd. Ask if Gill Monte is still around? He is the one that tattoped it on his neck.
