Jay and David –

I want to thank you for all of your work in the Heard case.

I have been contacted by Christina Taft, one of the people who was involved in the amicus brief that I prepared for the Heard v. Depp case. It appears that Paul Barresi, a private investigator from California, has been posting and stating various falsehoods about Ms. Taft to several people, including possibly counsel for Amber Heard. Ms. Taft believes that Mr. Barresi contacted attorneys at Ballard Spahr warning them that Ms. Taft was somehow dangerous to Ms. Heard.

Were you ever contacted by Mr. Barresi about Ms. Taft?

I appreciate any information you can provide on this matter.

Thanks,

Tom
