

# [PAUL BARRESI CALL] ADAM WALDMAN GOES ONE ON ONE WITH AMBER HEARD'S FORMER PI.mp4

**Speaker1:** [00:00:08] Do you remember our first conversation with respect to William Hazlitt? If you want to create an unfavorable impression, it's not even necessary that what is said be true. You can damage someone just by seeing it.

And there's an open case now in South Carolina for criminal threats and harassment. That's number one that I have to fight.

Number two, a ridiculous TRO against me, which is also false, claiming that Johnny hired me to turn over all my findings to to you.

**Speaker2:** [00:00:45] Reality is, anybody in the world that you know this better than I do. Anybody can file a police report about anything against him.

**Speaker1:** [00:00:52] Well, that's true.

**Speaker2:** [00:00:54] That's kind of like the way our you know, that's the way our republic works. You know, many crimes have been committed against me. Most of them I just ignore. Defamation, slander, cyberbullying, whatever. All this stuff. It only matters if it matters.

**Speaker1:** [00:01:09] I thought maybe we could. Fuze What you got with what I got? And that would even be more interesting.

**Speaker2:** [00:01:17] You have to understand, I thought this case for joining you have probably some inkling of how much work I put into it.

Six years that I did it for free. I mean, the case is won, you know?

**Speaker1:** [00:01:29] Oh, yeah. No, I did that.

**Speaker2:** [00:01:31] And I'm here for you, and I always want to help you.

One other thought, Richie Albertini looks to me like I have any money at all. It doesn't look to me like he has a job.

**Speaker1:** [00:01:41] No, no. He's homeless, [REDACTED]

**Speaker2:** [00:01:45] How does he have the money to, like, have lawyers and come out here?

**Speaker1:** [00:01:52] [REDACTED]

**Speaker2:** [00:02:13] Yeah, that's just [REDACTED].

**Speaker1:** [00:02:15] Yeah. [REDACTED]

**Speaker2:** [00:02:29] I ask. I'll tell you why. Because witnesses in this case are getting harassed. And you were.

You were a witness. You didn't testify at trial. But you know what I mean.

**Speaker1:** [00:02:40] Yeah.

**Speaker2:** [00:02:41] You were a player in all of this, and people who went against her are getting harassed, a bunch of them, and, you know, pretty severely in a variety of complex and simple ways.

You know, and I just wonder if somehow that's related, because I think she's got a beef with you.

**Speaker1:** [00:02:58] You said that people who who were who sided with Johnny going, people are going after those people from Ambleside in a variety of different ways. That's a very eloquent way of putting it.

**Speaker2:** [00:03:14] Like I said, in ways simple and complex. I mean, some of it is very elaborate, you know, and some of it and very expensive and some of it is frightening or or what do you call it, vandalism of property.

**Speaker1:** [00:03:29] Yeah. So it's not it's not just me. Who else is.

**Speaker2:** [00:03:32] Random? It's not random.

And it's in ways simple and complex.

And so it's it's it's several people, you know, and I can't say I, I can't even say it's all connected. But I'm not a huge believer in coincidences.

And these people are connected by virtue of having been helpful witnesses. And there are people who she's got a particular grudge against.

**Speaker1:** [00:03:57] And why am I one of them?

**Speaker2:** [00:04:00] I, I would think she has a grudge against you. I you know, I think you should tell your story. I do.
